About BHU

Banaras Hindu University is an Internationally reputed temple of learning, situated in the holy city of Varanasi. Medical education in Varanasi, the oldest living city of the world, dates from the days of Sushruta 500 BC. It is the continuation of the historical perspective that modern medical education in Banaras Hindu University took roots in 1920 with establishment of **Department of Ayurveda**. Years later, in 1960, the Ayurvedic College was converted to the **College of Medical Sciences** that was upgraded to **Institute of Medical Sciences** in 1971. Dental treatment was started in the College of Medical Sciences in the year 1962 in the Unit of General Surgery. In the year 1971, Department of Dentistry was established in Institute of Medical Sciences. Post-graduate education in Dentistry started in the year 1979 in the branch of Operative Dentistry. At present, Faculty of Dental Sciences provides Under-graduate and Post-graduate education in all the nine specialties of dentistry.

About Symposium

20th National Triple 'O' Symposium is being organized at Varanasi, the spiritual capital of India hosted by **Faculty of Dental Sciences, Institute of Medical Sciences, Banaras Hindu university**. The conference is being organized under the aegis of Indian Academy of Oral Medicine and Radiology (IAOMR) in collaboration with Association of Oral and Maxillofacial Surgeons of India (AOMSI) and Indian Association of Oral and Maxillofacial Pathologist (IAOMP).

The theme of this conference is **"Tradition, Trends and Techniques"** through which are trying to blend the new trends and advanced techniques with established traditional pattern in the three fields of dentistry.

Oral Medicine and Radiology, Oral and Maxillofacial Surgery and Maxillofacial Pathology and Microbiology are three inevitable fields of dentistry which aims in the diagnosis and management of almost all oral diseases and abnormalities affecting oral and maxillofacial region.

Triple 'O' presents and aims to assimilate new knowledge and technologies related to all three fields under one roof. This event would be a blend of various discussions, presentations, and keynote lecture of eminent speakers in an interactive manner.

Every attempt is being made to uphold the high standard of the scientific updates and comfortable accommodations. A large number of PG students and faculty members from various parts of India and abroad are expected to gather to enhance and share their knowledge in the field of Oral Medicine, Oral Surgery and Oral Pathology. We invite delegates to attend this big fest of scientific presentations with us and help making this 20th National triple 'O' Symposium a memorable one. We welcome you all to the oldest living city of the world 'VARANASI'.
