## Greetings from Organizing Committee:

### Dear Colleagues,

The current pandemic has placed the whole world at a standstill with nations going into lockdown, to stop the relentless march of the virus. The economic and social disruption caused by the pandemic is devastating, throwing a major impact in our lives. Aristotle the celebrated philosopher taught “It is during our darkest moments that we must focus to see the light”. Thus as the world attempts to recover and return to post-covid normalcy, let us bounce back and reinforce ourselves with a sense of optimism towards a safe and better world for our future generations.

The nomenclature of Khammam is said to have derived from a temple 'Narasimhadri' built on a hillock in the town. The temple was referred as 'Stamba Sikhari' and later 'Stambadhri'. The vertical rock under the temple is known as 'Kamba' and the town at the foot of the hill was called Kambamettu which gradually changed to Khammam matt and finally Khammam.

**Khammam** is the city in Khammam district of the Indian state of Telangana. It is the fourth largest city in the state. The city is connected to major cities, capitals like Hyderabad (193 Kms) and Amravati (121 Kms) and towns by means of road and railways. International Airports, National and State highways.

Khammam is the hub of educational institutions where students come from various parts of the country to pursue their education in the fields of medicine, dentistry, pharmacy, nursing and engineering. The main attraction is the temple of Sri Ram at Bhadrachalam built by Kancharla Gopanna, popularly known as Bhakta Ramadas, in 1630 AD is a key Pilgrimage importance situated on the banks of Godavari River in the Khammam District of Telangana. Khammam Fort, constructed in 950 AD by the Kakatiya Dynasty, is situated on a hill overlooking the city. Lakaram Lake is another tourist attraction. Apart from these there are many places surrounding the city, such as Nelakondapalli (Buddha Stupa), Kusumanchi (Lord Shiva Temple). The temple devoted to Lord Venu Gopala Swamy (Nemali Temple) was built during the reign of Queen Rudrama Devi and Shiva temple was built by Prathapa Rudra over 400 years back.
