**Final Call..**

## About the Conference

The Karnataka State Branch of the Indian Academy of Oral Medicine and Radiology is happy to announce its First State Conference, in the beautiful sprawling campus of Dayananda Sagar Institutions at Bangalore.

The 2 day conference will include lectures on important topics in the current scenario, which require that extra nudge for students and faculty. There will be eminent speakers sharing their experience and expertise in the field of Oral medicine and Radiology.

A festivity of exciting competitions , compounded by paper and poster presentations , with many interesting prizes to be won,for students and faculty as well is planned.

The state conference brings together all the Karnataka state dental colleges and will provide an important platform to share, discuss, learn, interact and at the same time network and plan on the thrust areas, it aims to improve the speciality in academics and clinical patient management, and update on recent advances.

A panel discussion on relevance of OMR and future prospects as an interdisciplinary area, will top up this scientific bonanza. Please register, participate and help take our subject to new and greater heights which it deserves so much.
