Apr - June, 2023

Edition Co-ordinator : 1) Dr. Rajendra Gouda Patil, 2) Dr. Sangamesh N.C.

**Message from
President :**

**Dr. Satheesha
Reddy B.H.**

Dear IAOMR members,

I am elated that the second issue of the newsletter has been released. This not only gives heads up about the upcoming events but will also give all the events already occurred in the fraternity. I also encourage you all to conduct academic activities that encourages the undergraduates and postgraduate students.

I wish all the very best for the upcoming issue of the JIAOMR and Newsletter.

**Message from
General Secretary :**

**Dr. Prashanth
Shenoy**

Dear IAOMR Members,

This is the second edition of the IAOMR times and the concept is shaping up well. We have halfway through the year and had fruitful activities. Like 3 UG convention across India and a grand OMR day Celebration and all the planned future conventions are moving on right track.

I strongly feel, we need to expand our arena of activities and take up projects of social responsibility. With my interaction with statutory bodies and concerned ministries I feel programme related to cancer awareness and Anti Microbial resistance (AMR) are on the priorities of the Government agenda. As an organization we can conduct these programmes effectively across India which will have good social impact. Not only we may get recognition from the statutory body for this programme but also might receive sufficient support from the concerned ministries. I request all the members to think in this direction and mail your suggestions to secretaryiaomr@gmail.com

**Message from
Editor in Chief :**

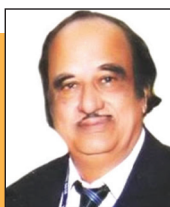

**Dr. Avinash
Tejasvi M.L.**

Dear IAOMR members,

It is with great pleasure i would like to inform you all that after the successful release of the first issue of newsletter, the second issue is released. This would give an insight of all the activities conducted across the nation and upcoming events under the ages of IAOMR. I sincerely seek for continuous support and cooperation from the fraternity members for all the activities.

I am very happy to announce that we have reduced the article processing charges of JIAOMR TO 50% for IAOMR members from the current issue. I am also delighted to inform you all that, volume 35; issue 2: April-June issue of 2023 is bening released on 30.06.2023. I anticipate the same support from all the IAOMR members for the future editions of JIAOMR & News Letter.

Jai Hind.

OBITUARY

THE END OF THE ERA

The Legend of OMR Prof Dr. N. Gnanasundaram left to the heavenly abode on 29th May 2023.
May his soul rest in deep peace.

Recent Events of IAOMR

National IAOMR DAY - 2023

The National Oral Medicine Day was observed on 24 April 2023, two programmes were conducted simultaneously.

- 1) A message was broadcasted on all India radio nationwide creating awareness regarding the speciality of Oral medicine & Radiology.
- 2) A special awareness programme titled "Oral Medicine &

Radiology: Key to dentistry" conducted by more than 75 dental colleges across India. The programme was aimed at creating awareness regarding our speciality among medical faculty as well as allied health and science faculties. A compiled video of all these programme was uploaded in the You tube. <https://youtu.be/VfbJlpWqIOw>.

Recent Scientific Activities of IAOMR

20th National Triple 'O' Symposium 2023

Inauguration Ceremony, Main Hall, Swatantrata Bhawan, BHU.

The National Triple 'O' Symposium was organized at Varanasi, the spiritual capital of India, and hosted by the Faculty of Dental Sciences, Institute of Medical Sciences, Banaras Hindu University on 01-04-2023 and 02-04-2023. The conference was organized under the aegis of the Indian Academy of Oral Medicine and Radiology (IAOMR) in collaboration with the Association of Oral and Maxillofacial Surgeons of India (AOMSI) and the Indian Association of Oral and Maxillofacial Pathologists (IAOMP).

The conference was inaugurated by the honorable President of the Dental Council of India, Dr. Dibyendu Majumdar. Dr. Satheesha Reddy (President, IAOMR) and Dr. Prashant Shenoy (Hon. General Secretary, IAOMR), and the Presidents and Hon. General Secretaries of AOMSI and IAOMP also graced the event.

The theme of the conference was "Tradition, Trends and Techniques", through which we tried to blend the new trends and advanced techniques with established traditional patterns in the three fields of dentistry.

Triple 'O' presented and aimed to assimilate new knowledge and technologies related to all three fields under one roof. This

Hon'ble President of the Dental Council of India,
Dr. Dibyendu Majumdar, Addressing the Delegates

event blended various discussions, presentations, and keynote lectures of eminent speakers in an interactive manner. The symposium provided a platform for young doctors to interact with the experts in the field not only to discuss recent advancements in

Gala Night, Triple 'O' Symposium, 2023

the field but also to share ideas for futuristic research in the concerned field.

Presentation & Prize Distribution of Postgraduate Students

Every attempt was made to uphold the high standard of the scientific updates and comfortable accommodations. This conference was an international platform for sharing new perspectives in the areas of dentistry & its related technology in transforming context. The papers, discussions, and interactions during the conference brought forth multiple viewpoints and addressed issues of critical importance.

An exuberant Gala Night and Bajra Ride with Ganga Aarti were organized for the delegates to add frolic to the ongoing academic event.

Everyone witnessed the step-by-step unfolding of the conference events and had little doubt that this would be one mega kind of symposium. The organizing team of Triple O, led by Dr. Adit, left no stone unturned and did a magnificent job at hosting this symposium.
