

## **World Radiography Day- 8<sup>th</sup> November**

Dear fraternal member of IAOMR.....another occasion for celebration. 8<sup>th</sup> November....commemorative day of Discovery of X-rays by Sir **Wilhelm Conrad Roentgen** observed as “**World Radiography Day**”. Requesting and inviting whole hearted participation by observing this day in your respective institutions by conducting poster competitions for UG & PG categories on various applications of Maxillofacial Radiology and Imaging in Dentistry. Select one best poster in UG & PG categories and send it with certification from HOD to HGS on his mail : [hgs\\_iaomr@yahoo.in](mailto:hgs_iaomr@yahoo.in)

IAOMR head office will select three best posters in each category and will present award for the same at ensuing conference at **I.T.S. CENTER FOR DENTAL STUDIES AND RESEARCH, MURADNAGAR, GHAZIABAD, NEW DELHI**. Also you may conduct seminars or symposia involving other branches of dentistry at your institutions on the same day to commemorate this occasion. Let our voices be heard once again and mark our presence among the dental fraternity.....  
Your's in IAOMR
