

# **INDIAN ACADEMY OF ORAL MEDICINE AND RADIOLOGY**

## **(IAOMR)**

**Observance of National Oral Medicine and Radiology Day**  
**April 24, 2026**

In order to promote awareness about the specialty of Oral Medicine and Radiology and to highlight its role in integrating oral and systemic health, the Indian Academy of Oral Medicine and Radiology (IAOMR) encourages all Dental Colleges, IAOMR Members and Private Practitioners across the country to actively celebrate National Oral Medicine and Radiology Day on April 24, 2026.

**The celebration may be organized under the following Five activity sections.**

- 1. Outreach Programs**
- 2. Poster Competition**
- 3. Reels Competition**
- 4. Video Competition**
- 5. Off-line CDE/ Online webinar**

# Guidelines for Conduct of National Oral Medicine and Radiology Day

## April 24, 2026

### Outreach Programs

#### **Theme: Know Your Oral Medicine and Radiology Specialist**

**Objective:** To create awareness and promote our specialty among the general public and other healthcare fraternities regarding the role of Oral Medicine and Radiology specialists in the early diagnosis and management of oral diseases, Oro-facial pain, oral potentially malignant disorders, oral cancer, and oral manifestations of systemic diseases, as well as the importance of radiological evaluation in implant planning and surgical guide fabrication.

#### **Suggested Activities:**

Outreach activities may include awareness programs , public education programs, Interdisciplinary programs for other healthcare fraternities and initiatives may also be conducted to emphasize the role of Oral Medicine and Radiology specialists in early diagnosis and timely referral.
