Dear IAOMR members,

Wishing you all a "Very Happy and Prosperous New Year 2023".

At the outset I congratulate the "JIAOMR" editor and the team members for the timely release of the issues 2022-23.

I am delighted with all the various events of IAOMR being conducted at national and state levels. I take this opportunity for the announcement and introduction of IAOMR NEWS LETTER. This News Letter would give an insight of upcoming events or events held across the country under the umbrella of IAOMR. Once again wishing the journal and all the members good luck for the upcoming News Letter.

**Dr. Prashanth
Shenoy**

Dear IAOMR Members,

Seasons greeting to all. This newsletter will be a new initiative of IAOMR aimed at providing periodic information of IAOMR activities as well as sharing the glimpses of activities held on quarterly bases.

IAOMR made a humble beginning with activities in 2023 with successful UG Conference at Theerthankar Mahaveer University, Moradabad in the month of February 2023. March and April will be the hectic months with over 3 UG conventions planned nationwide at Patna, Jammu and Coorg. These UG conventions shall definitely invoke more curiosity regarding our specialty among the undergraduate students.

We are planning to celebrate IAOMR day in a special way this year. The details of the programme are available on the website. I request all the members to come together and observe this IAOMR day in this unique grand way.

Dear IAOMR members,

Wishing everyone a very Happy New Year.

I am glad to inform about the release of this year's first edition of the journal. With the wholeheartedly support and contribution of JIAOMR team members, reviewers and fraternity, we have been successful in publishing quality articles and timely release of all the issues so far to benefit our readers and young researchers.

To add to the success of JIAOMR, we are introducing a unique bulletin Jiaomr news letter under the tile "IAOMR TIMES" to highlight the events of IAOMR held at national, state and college levels.

I request all the members to continue their support and contribute to the success of the Journal as well as the News Letter with their valuable inputs and quality work.
